.....
EuroCommerce is the principal European organisation representing the retail and wholesale sector. It embraces national associations in 28 countries and 5 million companies, both leading global players and many small businesses. Retail and wholesale are the links between producers and consumers. Over a billion times a day, retailers and wholesalers distribute goods and provide an essential service to millions of business and individual customers. The sector generates 1 in 7 jobs, offering a varied career to 26 million Europeans, many of them young people. It also supports millions of further jobs throughout the supply chain, from small local suppliers to international businesses. EuroCommerce is the recognised European social partner for the retail and wholesale sector.
